**Ходит осень по дорожке,
Промочила в лужах ножки!**

Дождик.

Дождик, дождик, не шуми!

Кап, кап, кап.

Просят, просят малыши.

Кап, кап, кап.

Вот когда пойдём мы спать,

Кап, кап, кап.

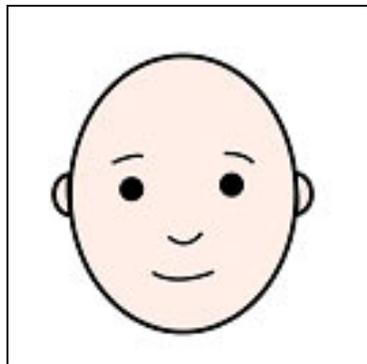

Застучишь тогда опять.

Кап, кап, кап.

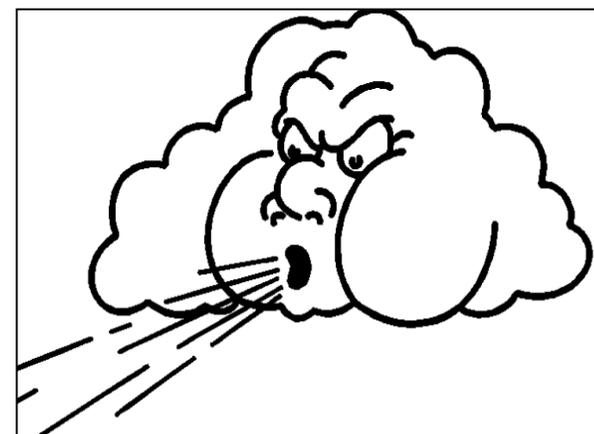

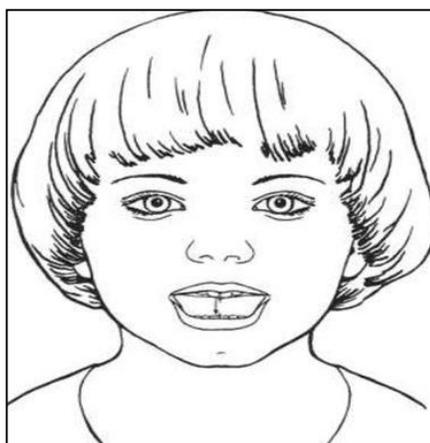

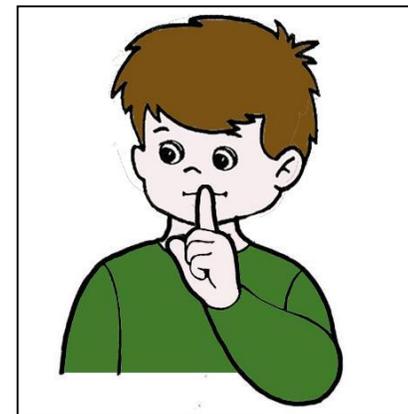

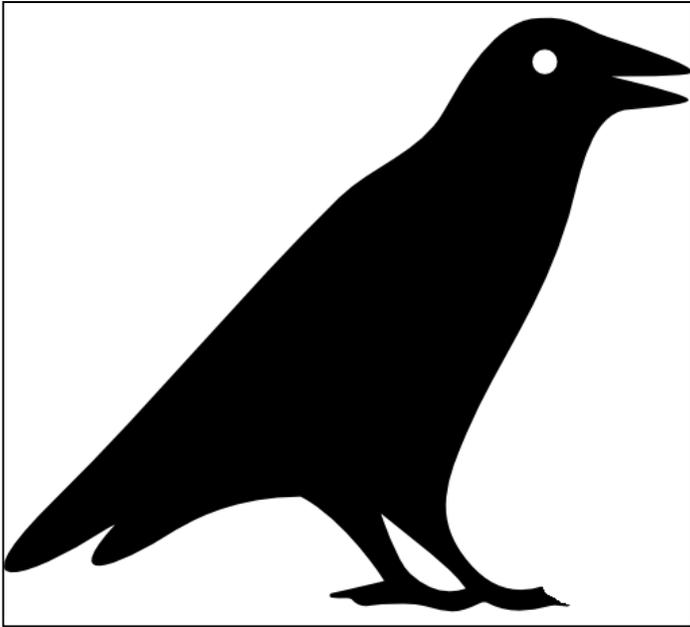

РИСОВАТЬ
КАРАНДАШАМИ

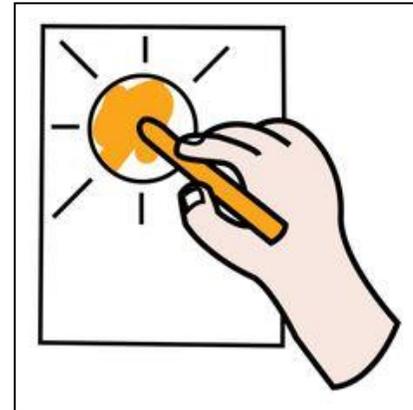

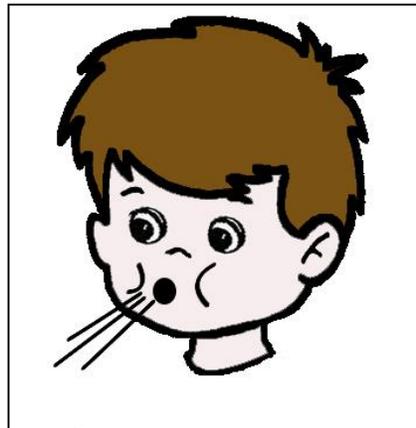

Ветер дует нам в лицо,
Закачалось деревцо.
Ветер тише, тише, тише –
Деревцо всё выше, выше

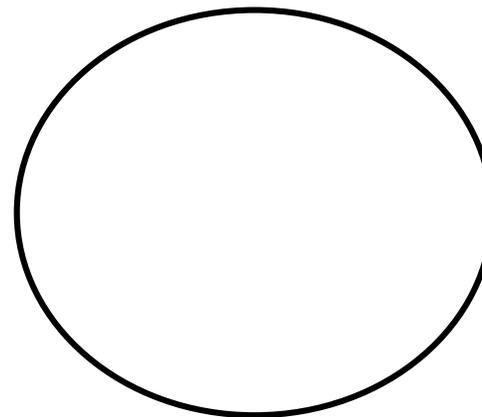

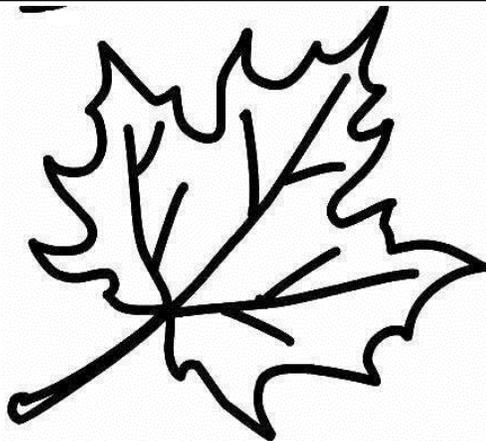

По кустам, как по перрону
Ходит важная ворона.
Глазом зорким,
Клювом длинным
Ищет ягоду- малину.
Эта птица с клювом длинным
Тоже хочет витаминов.

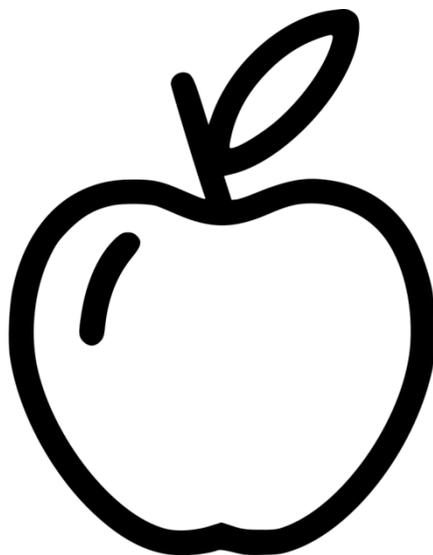

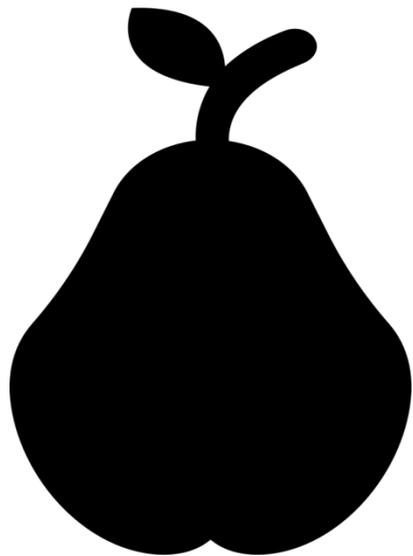

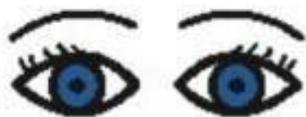

**Листопад, листопад!
Листья по ветру летят!
Желтый клен, желтый бук
Желтый в небе
Солнца круг!**
